

Building Energy Codes Workshop

Date: 26-27 March 2010

Venue: Chiang Chen Studio Theatre, POLYU

Programme Highlights

The workshop is designed for consultants, contractors, O&M personnel, and other stakeholders who wish to stay on top of the codes compliance issues. Through presentations and interactive Q&A sessions, participants will be provided with an overview of the codes and standards, updates to the current codes and guidelines, compliance tools and instrumentations, worked examples, and case studies. Additionally, participants will receive an official copy of handouts and powerpoints for future reference.
