Dear EI (HK) Members and Guests,

**Symposium on “Recent Advance in Road Lighting Technologies  
for Quality and Energy/Environmental Performance”  
26 March 2011 (Saturday)**

The Energy Institute (Hong Kong Branch) and the City University of Hong Kong jointly organize a **Symposium on “Recent Advance in Road Lighting Technologies for Quality and Energy/Environmental Performance”** to be held on 26 March 2011 (Saturday) for its members and guests.

**Event title**

*Symposium on “Recent Advance in Road Lighting Technologies for Quality and Energy/Environmental Performance”*

**Brief description**

In Hong Kong, many road lights were using obsolete high-pressure mercury lamps in the past, which are considered less energy-efficient by today's standards. EI (HKB) and School of Energy and Environment of the City University of Hong Kong jointly organize this Symposium to provide information on latest technology and development on road lighting with high energy efficiency and better lighting performance.

**Speakers**

- Professor CHUNG, Shu Hung Henry, Department of Electronic Engineering, City University of Hong Kong
- 復旦大學照明工程系 劉躍群教授
- Ir Dr SHEK Ka Wing, Senior Project Engineer (Research & Development), Baby Lighting Company Limited
- 中國照明學會常務理事 任元會研究員
