

Conference on Novel Insights in Waste Management and Clean Air cum The 7th Two - Coast Forum on Sustainable Waste Management 2013

22-23 November 2013 (Friday & Saturday)
HKPC Building, 78 Tat Chee Avenue, Kowloon, Hong Kong

Registration Brochure

The conference aims to provide a platform for the policy makers, government officials, academics, consultants, engineers and other professionals from the cross strait two coasts and four places to exchange the most recent views on policies and technologies for waste management and air pollution control to achieve a quality life in world class cities. Local speakers and experts from Mainland, Taiwan, Macau and overseas would be invited to share with us their knowledge and experience on the advanced technologies on sustainable solid waste management - policy, practices and technologies; and new insights on clean air policies and technologies for better air quality.

THEME: Novel Insights in Sustainable Waste Management and Clean Air

Session 1: Advanced Technologies on Sustainable Solid Waste Management - Policy, Practices and Technologies

Session 2: New Insights on Clean Air Policies and Technologies for Better Air Quality

Registration fee

Early-bird registration (on or before 8 Nov 2013):

Member of HKWMA / HKIE / IMechE : HK\$800; Non-Members : \$1,000

Full registration (after 8 Nov 2013):

Member of HKWMA / HKIE / IMechE : HK\$1,000; Non-Members: \$1,200

The fee includes a copy of conference proceedings and coffee breaks.

Lunch is not included.

Site Visit: \$100 (first-come-first-served)
